

Scenario: You just moved to a new city to start a new job where you have no family and no friends. You find it hard to talk to people and don't have the time you'd like to go out and meet people. You would like to have the ability to interact and meet with new people while still focusing on your work.

Task 1: Set up a profile that include your age, height, interests, education, occupation, etc.

Task 2: Browse through other profiles made by people near you!

Task 3: After browsing and matching with people who you are interested in, See who likes you on the Match page!

Task 4: Once you have established a connection with someone, Meet them, and give feedback on how the experience went! 1/5 stars, 2/5 stars, 3/5 stars, 4/5 stars, 5/5 stars, comments, etc.

Notes:

3 Things I would change:

- Change The cover page of the program
- Add a video call feature to ensure peace of mind
- Add a subscription feature to the program for subscriber benefits

3 Things I would keep:

- The feedback feature after a meet
- Simplistic Layout
- Ability to unmatched with someone
